

Teacher Kimi and Teacher Debi's Class

Welcome back! I missed being with my preschool kiddos!

In January, I will assess each child individually. I will do this through learning games. They will be rewarded for playing the game with me. I will hand them out towards the end of January. If you would like to set up a time with me to discuss anything on their assessment I am available to meet after school. Between now and the end of the year, you and I will see a great amount of growth.

Please bring in a shoe box by January 11, for your child to use for a hibernation project. Thanks
