

## Teacher Kelly's January Newsletter

### Happy New Year!

I hope that each family had a wonderful holiday break! We had family visiting from Brazil! We enjoyed the snow on Christmas and played in it as much as possible! This new year I'm feeling so full of anticipation about how God will work in each child and heart. January always brings peace and a fresh beginning. I'm praying your family will be blessed in 2018 with His love and joy!

### Winter Clothing

If the weather falls into the 30's we will play inside but if we can go outside we will. ☺ Please be sure to send a warm jacket, gloves and a hat to preschool. Thank you!
