

# February

**Teachers: Diane,  
Amy, & Hannah**

During the month of February we have the privilege and the honor of celebrating and talking about the great love that our father in heaven has given us. In class we will be talking about love and sharing, and focus on how we can put these characteristics into action.

We have the privilege of sharing that amazing love within our families to the precious little lives God has given us and to others around us including those we have the privilege of teaching in our classroom. We love because the Father first loved us.

This year we will be ministering to the homeless. Teacher Amy is a part of a group that ministers to the homeless ("One Cup of Coffee" on Aurora), which we will be partnering with to help bless others. We will be doing a craft with cookies—using this to show them how much Jesus loves them.
