

February Newsletter

Teacher Kimi and Teacher Debi's Class

This is a very special month for our class. We will do a Valentine outreach. You can help by bringing little items that the kids can put in a bag that they will decorate at school. The bags this year will be given to foster kids and also 15 kids at Westgate Elementary who take home food backpacks over the weekends. Our class will also make a card for each child who will receive a bag. I will provide a list of some ideas. Before I deliver the bags our class will pray for the kids who will receive this special Valentine. Our class will learn so much from this experience. It is a tangible way for them to share the love of Jesus with the community.

Calendar Dates

February 3

Open House for parents and children who want to check out Westgate Preschool
