We Are Here

Cat: The sky was made for divin’; that’s how I’m arrivin’. It’s good to be back on the ground.

Brodie: I swam in through the ocean
DT: I got here by rowin’
DT and Brodie: Now both of us are safe and sound.
Cat: I wonder if I’m lost? I wonder if there’s danger?
Brodie: So far away from home, and all I see are strangers.
DT: But looking at the view and takin’ in the weather,
Cat, Brodie & DT: I don’t know where I am, but as long as we’re together...

Choir: Aren’t you glad that we are here? So everybody give a cheer
For the fun and friendship in the atmosphere.
With the sun and surf so near, nothing’s gonna interfere.
And no matter how we got here, it’s so clear,
Every one of us is happy we are here. We are here!

Lane: Well, I can say for certain that getting here by surfin’ was such a crazy ride to take.
Abby: And swimming with the fishes makes me think that this is a chance for us to
seize the day. An island in the sea, it just keeps gettin’ better.
Lane: We’re camping in the sun, we’re ready for whatever
Cat, DT and Brodie: So make a friend or two and learn to like each other.
Abby: It could be you’ll find a sister or a brother!

Choir: Aren’t you glad that we are here? So everybody give a cheer
For the fun and friendship in the atmosphere.
With the sun and surf so near, nothing’s gonna interfere.
And no matter how we got here, it’s so clear,
Every one of us is happy we are here. We are here!

Spoken by all: Everybody’s here, it’s a thrill a minute.
Summer fun is waiting. We’re ready to be in it.
We got the bluest sky. This beach is really somethin’.
Sung by all: If this is an adventure then I think we oughta jump in!

Choir: Aren’t you glad that we are here? So everybody give a cheer
For the fun and friendship in the atmosphere.
With the sun and surf so near, nothing’s gonna interfere.
And no matter how we got here, it’s so clear,
Every one of us is happy we are here. We are here!
This is a Test

Solo 1: You thought you were here to relax, hang out, kick back.
    Got here with fun on your mind, but now you find
    Looks like you're headed for stress.
    Watch out, this is a test. Yeah, this is a test.

Solo 2: You say you're ready to play. Give up, no way.
    You say you're gonna win. Both feet, jump in.
    You'll show you are the best. No sweat, this is a test. Yeah, this is a test.

Choir: It's time to step up. It's time to show up,
    Prove that we are bigger than our fears.
    It's time to get real. This is a big deal.
    Who's gonna be the leader here?

Solo 3: Strap in and get ready to ride. Hang on, hold tight.
    Let's show we got what it takes. These are big stakes.

Choir: Who knows what's coming up next? For sure this is a test. Yeah, this is a test.

Brodie: We're here so what do we do?
Cat: I'm in!
Abby: Me too!
DT: Could be that we're gonna see
Lane: Some truth we need.
Dooney: Try hard: no more or no less, because this is a test. Yeah, this is a test.

Choir: It's time to step up. It's time to show up,
    Prove that we are bigger than our fears.
    It's time to get real. This is a big deal.

Choir: Who knows what's coming up next? For sure this is a test. Yeah, this is a test.
Abby, Cat, Brodie and Group 1:

We're gonna dig it up, dig for what we need. We've got work to do if anybody's gonna eat.

DT, Lane, Dooney and Group 2:

We don't dig this at all. Hey enough's enough! No one asked if we were cool with doing all this stuff!

Group 1: Pick a side and stand your ground. There’s no free ride, so better dig down.
Group 2: No playing games, not us, no way! So listen up; we want our say.
Group 1: Then if you starve, don’t get upset ‘cause what you give is what you’ll get.
ALL: Choose your team, sink or swim. Gonna get our way; we’re diggin’ in.

Group 2: We’re gonna say, “No fair!” Don’t wanna work it out. And you push, We’re pushing back. So do you dig us now?
Group 1: We’re gonna do our thing no matter what you do.
They always say, “No pain, no gain,” so we’ll keep diggin’ through.

Group 1: Pick a side and stand your ground. There’s no free ride, so better dig down.
Group 2: No playing games, not us, no way! So listen up; we want our say.
Group 1: Then if you starve, don’t get upset ‘cause what you give is what you’ll get.

ALL: We’re diggin’ in!
Me and Jesus

Solo 1: When there's nowhere else to turn,
All your bridges have been burned,
Feels like you've hit rock bottom,
Don't give up; it's not the end
Open up your heart again
When you feel like no one
Understands where you are.

Choir: Someone loves you even when you don't think so
Don't you know? You got me and Jesus by your side.
Through the fight, you will never be alone, on your own.
You got me and Jesus.

Solo 2: After all that we've been through
By now, you know I've doubted too.
But every time my head was in my hands,
you said to me:

Choir: Someone loves you even when you don't think so
Don't you know? You got me and Jesus by your side.
Through the fight, you will never be alone, on your own.
You got me and Jesus.

Hold on to what we got.
This is worth any cost,
So make the most of life that's borrowed.
Love like there's no tomorrow.

Someone loves you even when you don't think so
Don't you know? You got me and Jesus by your side.
Through the fight, you will never be alone, on your own.
You got me and Jesus.

Even when you don't think so
Don't you know? You got me and Jesus by your side.
Through the fight, you will never be alone, on your own.
You got me and Jesus.

Even when you don't think so
Don't you know? You got me and Jesus by your side.
Through the fight, you will never be alone,
You got me and Jesus.
If We Are the Body

Lane: 
It's crowded in worship today
As she slips in trying to fade into the faces
The girl's teasing laughter is carrying farther than they know
Farther than they know

Choir: 
But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going?
Why is His love not showing them there is a way?
There is a way

Solo 2: 
A traveler is far away from home
He sheds his coat and quietly sinks into the back row
The weight of their judgmental glances
Tells him that his chances are better out on the road

Choir: 
But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going?
Why is His love not showing them there is a way?

Jesus paid much too high a price
For us to pick and choose who should come
And we are the body of Christ

But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going?
Why is His love not showing them there is a way?

Jesus is the way.
Jesus is the way.
Jesus is the way.
A Heart like His

Choir: I may not understand everything that happens in this life. I don’t have God’s ear. I don’t see it all through His eyes. But if I’m gonna be the friend I want to be I know that I need a heart like His, A heart like His, to always care like He does. To love the world with His love, The best thing I could give is a heart like His.

When someone I don’t know who doesn’t look the same way I do, I need to be a friend; I need to think about the golden rule. ‘Cause faith is more than words I say. I need to give away, a heart like His, A heart like His, to always care like He does. To love the world with His love, The best thing I could give is a heart like His.

Solo: I’ll go the extra mile and I’ll be kind, So when people look at me, they will find

Choir: A heart like His, to always care like He does. To love the world with His love, The best thing I could give is a heart like His. A heart like His, to always care like He does. To love the world with His love, The best thing I could give is a heart like His.
**Voice of Truth**

**Abby:** Oh what I would do to have the kind of faith it takes
To climb out of this boat I'm in onto the crashing waves.

**Cat:** To step out of my comfort zone into the realm of the unknown
Where Jesus is and He's holding out His hand.

**Lane:** But the waves are calling out my name and they laugh at me.
Reminding me of all the times I've tried before and failed.

**Brodie:** The waves they keep on telling me time and time again
“Oh, you'll never win!  Oh you'll never win!”

**Choir:** But the Voice of Truth tells me a different story
The Voice of Truth says, “Do not be afraid!”
The Voice of Truth says, “This is for My glory.”
Out of all the voices calling out to me
I will choose to listen and believe the Voice of Truth.

**Dooney:** Oh what I would do to have the kind of strength it takes
To stand before a giant with just a sling and a stone.
Surrounded by the sound of a thousand warriors
Shaking in their armor wishing they'd have had the strength to stand.

**Choir:** But the giant's calling out my name and he laughs at me.
Reminding me of all the times I tried before and failed.
The giant keeps on telling me time and time again,
“Oh, you’ll never win.  You’ll never win!”

And the Voice of Truth tells me a different story
The Voice of Truth says, “Do not be afraid!”
The Voice of Truth says, “This is for My glory.”
Out of all the voices calling out to me
I will choose to listen and believe the Voice of Truth.

**Abby:** But the stone was just the right size
**Cat:** To put the giant on the ground
**Brodie:** And the waves they don't seem so high
**Dooney:** From on the top of them, looking down.
**Lane:** I will soar with the wings of eagles when I stop and listen
To the voice of Jesus singing over me!

**Choir:** And the Voice of Truth tells me a different story
The Voice of Truth says, “Do not be afraid!”
The Voice of Truth says, “This is for My glory.”
Out of all the voices calling out to me
I will choose to listen and believe,
I will choose to listen and believe the Voice of Truth.
You Come Through

Brodie: I know you were scared of the storm. I’ve felt that way inside
When you’re sitting in the dark and thunder fills the sky.
But Jesus says He’ll be near, so when we feel afraid
He has promised to be close and hear us when we pray.

Choir: You come through. You said You’d be my friend.
Your love is true. I believe in all You did.
Jesus I trust You. You come through.

Brodie: The Bible says when you ask, He will come into your heart.
He will never leave your side no matter where you are.
Other friends may let you down, but Jesus never does.
This is all He wants to hear from everyone of us.

Choir: You come through. You said You’d be my friend.
Your love is true. I believe in all You did.
Jesus I trust You. You come through.

DT: You come through. You said You’d be my friend.
Your love is true. I believe in all You did.

Choir joins DT:
Jesus I trust You. You come through. You come through.
Lifesong

Solo: Empty hands held high, such small sacrifice,  
If not joined with my life, I sing in vain tonight.

Choir: May the words I say and the things I do  
Make my lifesong sing, bring a smile to You.

Let my lifesong sing to You.  
Let my lifesong sing to You.  
I want to sign Your name to the end of this day  
Knowing that my heart was true.  
Let my lifesong sing to You.

Lord I give my life, a living sacrifice  
To reach a world in need. To be Your hands and feet  
So may the words I say and the things I do  
Make my lifesong sing, bring a smile to You.

Let my lifesong sing to You.  
Let my lifesong sing to You.  
I want to sign Your name to the end of this day  
Knowing that my heart was true.  
Let my lifesong sing to You.

Hallelujah, Hallelujah! Let my lifesong sing to You.  
Hallelujah, Hallelujah! Let my lifesong sing to You.  
Hallelujah, Hallelujah! Let my lifesong sing to You.

Let my lifesong sing to You!  
Let my lifesong sing to You!  
I want to sign Your name to the end of this day  
Knowing that my heart was true.  
Let my lifesong sing

Let my lifesong sing to You!  
Let my lifesong sing to You!  
I want to sign Your name to the end of this day  
Knowing that my heart was true.  
Let my lifesong sing to You.
